General Information and Instructions: Education was one of the founding principles of the North Jersey Water Conference ("NJWC"). We therefore provide scholarship grants each year to worthy applicants to assist in funding their education. This application should provide the members of the NJWC Scholarship Grant Committee with an understanding of the applicant's personal and educational background. Much of the information to be presented is to be developed by the applicant and appended to this form. Forms must be submitted (or post marked) no later than Friday November 10, 2023. Applicants will be notified by November 22, 2023. The presentation of the Grant will be coordinated via Email in order to meet and take pictures for the annual Journal. Kindly Mail or Email applications to:
